

Destination Builder Plus

In preparation for your project kickoff call with the *Ohio. Find It Here.* team and video service partner, please answer the following questions.

Your answers will help your video production team get a better sense of your project and how to best create a video that supports your marketing needs. During our kickoff call, we'll discuss your shoot and the details that make a successful shoot day. Please note that the final shot list with all details regarding contacts and access must be complete 10 business days before the scheduled shoot date to hold the date.

Organization Name:
